HSK 6 vocabulary list

5000 words, with a pinyin reading and an example sentence for each

The top of the written exam, where the gap between understanding a text and producing one closes.

The list follows the HSK 2.0 vocabulary list, the one used for sittings through 2026. The revised HSK 3.0 lists are longer, so use this as your foundation and check the version on your registration record.

No.	Word	Pinyin	Meaning and example
